85 eligibility when family income is equal to or less than  
86 equal to one hundred percent of the federal poverty level  
87 established by the Department of Health and Human Services,  
88 or its successor agency. As necessary to provide MO  
89 HealthNet coverage under this subdivision, the department of  
90 social services may revise the state MO HealthNet plan to  
91 extend coverage under 42 U.S.C. Section  
92 1396a(a)(10)(A)(i)(III) to children who have attained six  
93 years of age but have not attained nineteen years of age as

97 of 42 U.S.C. Section 1396a;

98           (15) The family support division shall not establish a  
99 resource eligibility standard in assessing eligibility for  
100 persons under subdivision (12), (13) or (14) of this  
101 subsection. The MO HealthNet division shall define the  
102 amount and scope of benefits which are available to  
103 individuals eligible under each of the subdivisions (12),  
104 (13), and (14) of this subsection, in accordance with the  
105 requirements of federal law and regulations promulgated  
106 thereunder;

107           (16) Notwithstanding any other provisions of law to  
108 the contrary, ambulatory prenatal care shall be made  
109 available to pregnant women during a period of presumptive  
110 eligibility pursuant to 42 U.S.C. Section 1396r-1, as  
111 amended;

112           (17) A child born to a woman eligible for and  
113 receiving MO HealthNet benefits under this section on the  
114 date of the child's birth shall be deemed to have applied  
115 for MO HealthNet benefits and to have been found eligible  
116 for such assistance under such plan on the date of such  
117 birth and to remain eligible for such assistance for a  
118 period of time determined in accordance with applicable  
119 federal and state law and regulations so long as the child  
120 is a member of the woman's household and either the woman  
121 remains eligible for such assistance or for children born on  
122 or after January 1, 1991, the woman would remain eligible  
123 for such assistance if she were still pregnant. Upon  
124 notification of such child's birth, the family support  
125 division shall assign a MO HealthNet eligibility  
126 identification number to the child so that claims may be  
127 submitted and paid under such child's identification number;

128           (18) Pregnant women and children eligible for MO  
129 HealthNet benefits pursuant to subdivision (12), (13) or  
130 (14) of this subsection shall not as a condition of  
131 eligibility for MO HealthNet benefits be required to apply  
132 for aid to families with dependent children. The family  
133 support division shall utilize an application for  
134 eligibility for such persons which eliminates information  
135 requirements other than those necessary to apply for MO  
136 HealthNet benefits. The division shall provide such  
137 application forms to applicants whose preliminary income  
138 information indicates that they are ineligible for aid to  
139 families with dependent children. Applicants for MO  
140 HealthNet benefits under subdivision (12), (13) or (14) of  
141 this subsection shall be informed of the aid to families  
142 with dependent children program and that they are entitled  
143 to apply for such benefits. Any forms utilized by the

144 family support division for assessing eligibility under this  
145 chapter shall be as simple as practicable;

146 (19) Subject to appropriations necessary to recruit  
147 and train such staff, the family support division shall  
148 provide one or more full-time, permanent eligibility  
149 specialists to process applications for MO HealthNet  
150 benefits at the site of a health care provider, if the  
151 health care provider requests the placement of such  
152 eligibility specialists and reimburses the division for the  
153 expenses including but not limited to salaries, benefits,  
154 travel, training, telephone, supplies, and equipment of such  
155 eligibility specialists. The division may provide a health  
156 care provider with a part-time or temporary eligibility  
157 specialist at the site of a health care provider if the  
158 health care provider requests the placement of such an  
159 eligibility specialist and reimburses the division for the  
160 expenses, including but not limited to the salary, benefits,  
161 travel, training, telephone, supplies, and equipment, of  
162 such an eligibility specialist. The division may seek to  
163 employ such eligibility specialists who are otherwise  
164 qualified for such positions and who are current or former  
165 welfare participants. The division may consider training  
166 such current or former welfare participants as eligibility  
167 specialists for this program;

168 (20) Pregnant women who are eligible for, have applied  
169 for and have received MO HealthNet benefits under  
170 subdivision (2), (10), (11) or (12) of this subsection shall  
171 continue to be considered eligible for all pregnancy-related  
172 and postpartum MO HealthNet benefits provided under section  
173 208.152 until the end of the sixty-day period beginning on  
174 the last day of their pregnancy. Pregnant women receiving  
175 mental health treatment for postpartum depression or related

176 mental health conditions within sixty days of giving birth  
177 shall, subject to appropriations and any necessary federal  
178 approval, be eligible for MO HealthNet benefits for mental  
179 health services for the treatment of postpartum depression  
180 and related mental health conditions for up to twelve  
181 additional months. Pregnant women receiving substance abuse  
182 treatment within sixty days of giving birth shall, subject  
183 to appropriations and any necessary federal approval, be  
184 eligible for MO HealthNet benefits for substance abuse  
185 treatment and mental health services for the treatment of  
186 substance abuse for no more than twelve additional months,  
187 as long as the woman remains adherent with treatment. The  
188 department of mental health and the department of social  
189 services shall seek any necessary waivers or state plan  
190 amendments from the Centers for Medicare and Medicaid  
191 Services and shall develop rules relating to treatment plan  
192 adherence. No later than fifteen months after receiving any  
193 necessary waiver, the department of mental health and the  
194 department of social services shall report to the house of  
195 representatives budget committee and the senate  
196 appropriations committee on the compliance with federal cost  
197 neutrality requirements;

198       (21) Case management services for pregnant women and  
199 young children at risk shall be a covered service. To the  
200 greatest extent possible, and in compliance with federal law  
201 and regulations, the department of health and senior  
202 services shall provide case management services to pregnant  
203 women by contract or agreement with the department of social  
204 services through local health departments organized under  
205 the provisions of chapter 192 or chapter 205 or a city  
206 health department operated under a city charter or a  
207 combined city-county health department or other department

208 of health and senior services designees. To the greatest  
209 extent possible the department of social services and the  
210 department of health and senior services shall mutually  
211 coordinate all services for pregnant women and children with  
212 the crippled children's program, the prevention of  
213 intellectual disability and developmental disability program  
214 and the prenatal care program administered by the department  
215 of health and senior services. The department of social  
216 services shall by regulation establish the methodology for  
217 reimbursement for case management services provided by the  
218 department of health and senior services. For purposes of  
219 this section, the term "case management" shall mean those  
220 activities of local public health personnel to identify  
221 prospective MO HealthNet-eligible high-risk mothers and  
222 enroll them in the state's MO HealthNet program, refer them  
223 to local physicians or local health departments who provide  
224 prenatal care under physician protocol and who participate  
225 in the MO HealthNet program for prenatal care and to ensure  
226 that said high-risk mothers receive support from all private  
227 and public programs for which they are eligible and shall  
228 not include involvement in any MO HealthNet prepaid, case-  
229 managed programs;

230 (22) By January 1, 1988, the department of social  
231 services and the department of health and senior services  
232 shall study all significant aspects of presumptive  
233 eligibility for pregnant women and submit a joint report on  
234 the subject, including projected costs and the time needed  
235 for implementation, to the general assembly. The department  
236 of social services, at the direction of the general  
237 assembly, may implement presumptive eligibility by  
238 regulation promulgated pursuant to chapter 207;

239 (23) All participants who would be eligible for aid to  
240 families with dependent children benefits except for the  
241 requirements of paragraph (d) of subdivision (1) of section  
242 208.150;

243 (24) (a) All persons who would be determined to be  
244 eligible for old age assistance benefits under the  
245 eligibility standards in effect December 31, 1973, as  
246 authorized by 42 U.S.C. Section 1396a(f), or less  
247 restrictive methodologies as contained in the MO HealthNet  
248 state plan as of January 1, 2005; except that, on or after  
249 July 1, 2005, less restrictive income methodologies, as  
250 authorized in 42 U.S.C. Section 1396a(r)(2), may be used to  
251 change the income limit if authorized by annual  
252 appropriation;

253 (b) All persons who would be determined to be eligible  
254 for aid to the blind benefits under the eligibility  
255 standards in effect December 31, 1973, as authorized by 42  
256 U.S.C. Section 1396a(f), or less restrictive methodologies  
257 as contained in the MO HealthNet state plan as of January 1,  
258 2005, except that less restrictive income methodologies, as  
259 authorized in 42 U.S.C. Section 1396a(r)(2), shall be used  
260 to raise the income limit to one hundred percent of the  
261 federal poverty level;

262 (c) All persons who would be determined to be eligible  
263 for permanent and total disability benefits under the  
264 eligibility standards in effect December 31, 1973, as  
265 authorized by 42 U.S.C. Section 1396a(f); or less  
266 restrictive methodologies as contained in the MO HealthNet  
267 state plan as of January 1, 2005; except that, on or after  
268 July 1, 2005, less restrictive income methodologies, as  
269 authorized in 42 U.S.C. Section 1396a(r)(2), may be used to  
270 change the income limit if authorized by annual

271 appropriations. Eligibility standards for permanent and  
272 total disability benefits shall not be limited by age;

273 (25) Persons who have been diagnosed with breast or  
274 cervical cancer and who are eligible for coverage pursuant  
275 to 42 U.S.C. Section 1396a(a)(10)(A)(ii)(XVIII). Such  
276 persons shall be eligible during a period of presumptive  
277 eligibility in accordance with 42 U.S.C. Section 1396r-1;

278 (26) Persons who are in foster care under the  
279 responsibility of the state of Missouri on the date such  
280 persons attained the age of eighteen years, or at any time  
281 during the thirty-day period preceding their eighteenth  
282 birthday, or persons who received foster care for at least  
283 six months in another state, are residing in Missouri, and  
284 are at least eighteen years of age, without regard to income  
285 or assets, if such persons:

286 (a) Are under twenty-six years of age;

287 (b) Are not eligible for coverage under another  
288 mandatory coverage group; and

289 (c) Were covered by Medicaid while they were in foster  
290 care;

291 (27) Any homeless child or homeless youth, as those  
292 terms are defined in section 167.020, subject to approval of  
293 a state plan amendment by the Centers for Medicare and  
294 Medicaid Services;

295 **(28) Beginning April 1, 2022, or the effective date of**

305 state plan amendment to the Centers for Medicare and  
306 Medicaid Services within sixty days of the effective date of  
307 this act.

308 2. Rules and regulations to implement this section  
309 shall be promulgated in accordance with chapter 536. Any  
310 rule or portion of a rule, as that term is defined in  
311 section 536.010, that is created under the authority  
312 delegated in this section shall become effective only if it  
313 complies with and is subject to all of the provisions of  
314 chapter 536 and, if applicable, section 536.028. This  
315 section and chapter 536 are nonseverable and if any of the  
316 powers vested with the general assembly pursuant to chapter  
317 536 to review, to delay the effective date or to disapprove  
318 and annul a rule are subsequently held unconstitutional,  
319 then the grant of rulemaking authority and any rule proposed  
320 or adopted after August 28, 2002, shall be invalid and void.

321 3. After December 31, 1973, and before April 1, 1990,  
322 any family eligible for assistance pursuant to 42 U.S.C.  
323 Section 601, et seq., as amended, in at least three of the  
324 last six months immediately preceding the month in which  
325 such family became ineligible for such assistance because of  
326 increased income from employment shall, while a member of  
327 such family is employed, remain eligible for MO HealthNet  
328 benefits for four calendar months following the month in  
329 which such family would otherwise be determined to be  
330 ineligible for such assistance because of income and  
331 resource limitation. After April 1, 1990, any family  
332 receiving aid pursuant to 42 U.S.C. Section 601, et seq., as  
333 amended, in at least three of the six months immediately  
334 preceding the month in which such family becomes ineligible

335 for such aid, because of hours of employment or income from  
336 employment of the caretaker relative, shall remain eligible  
337 for MO HealthNet benefits for six calendar months following  
338 the month of such ineligibility as long as such family  
339 includes a child as provided in 42 U.S.C. Section 1396r-6.  
340 Each family which has received such medical assistance  
341 during the entire six-month period described in this section  
342 and which meets reporting requirements and income tests  
343 established by the division and continues to include a child  
344 as provided in 42 U.S.C. Section 1396r-6 shall receive MO  
345 HealthNet benefits without fee for an additional six  
346 months. The MO HealthNet division may provide by rule and  
347 as authorized by annual appropriation the scope of MO  
348 HealthNet coverage to be granted to such families.

349 4. When any individual has been determined to be  
350 eligible for MO HealthNet benefits, such medical assistance  
351 will be made available to him or her for care and services  
352 furnished in or after the third month before the month in  
353 which he made application for such assistance if such  
354 individual was, or upon application would have been,  
355 eligible for such assistance at the time such care and  
356 services were furnished; provided, further, that such  
357 medical expenses remain unpaid.

358 5. The department of social services may apply to the  
359 federal Department of Health and Human Services for a MO  
360 HealthNet waiver amendment to the Section 1115 demonstration  
361 waiver or for any additional MO HealthNet waivers necessary  
362 not to exceed one million dollars in additional costs to the  
363 state, unless subject to appropriation or directed by  
364 statute, but in no event shall such waiver applications or  
365 amendments seek to waive the services of a rural health  
366 clinic or a federally qualified health center as defined in

367 42 U.S.C. Section 1396d(1) (1) and (2) or the payment  
368 requirements for such clinics and centers as provided in 42  
369 U.S.C. Section 1396a(a) (15) and 1396a(bb) unless such waiver  
370 application is approved by the oversight committee created  
371 in section 208.955. A request for such a waiver so  
372 submitted shall only become effective by executive order not  
373 sooner than ninety days after the final adjournment of the  
374 session of the general assembly to which it is submitted,  
375 unless it is disapproved within sixty days of its submission  
376 to a regular session by a senate or house resolution adopted  
377 by a majority vote of the respective elected members  
378 thereof, unless the request for such a waiver is made  
379 subject to appropriation or directed by statute.

380 6. Notwithstanding any other provision of law to the  
381 contrary, in any given fiscal year, any persons made  
382 eligible for MO HealthNet benefits under subdivisions (1) to  
383 (22) of subsection 1 of this section shall only be eligible  
384 if annual appropriations are made for such eligibility.  
385 This subsection shall not apply to classes of individuals  
386 listed in 42 U.S.C. Section 1396a(a) (10) (A) (i).

387 7. (1) Notwithstanding any provision of law to the  
388 contrary, a military service member, or an immediate family  
389 member residing with such military service member, who is a  
390 legal resident of this state and is eligible for MO  
391 HealthNet developmental disability services, shall have his  
392 or her eligibility for MO HealthNet developmental disability  
393 services temporarily suspended for any period of time during  
394 which such person temporarily resides outside of this state  
395 for reasons relating to military service, but shall have his  
396 or her eligibility immediately restored upon returning to  
397 this state to reside.

398           (2) Notwithstanding any provision of law to the  
399 contrary, if a military service member, or an immediate  
400 family member residing with such military service member, is  
401 not a legal resident of this state, but would otherwise be  
402 eligible for MO HealthNet developmental disability services,  
403 such individual shall be deemed eligible for MO HealthNet  
404 developmental disability services for the duration of any  
405 time in which such individual is temporarily present in this  
406 state for reasons relating to military service.

208.662. 1. There is hereby established within the  
2 department of social services the "Show-Me Healthy Babies  
3 Program" as a separate children's health insurance program  
4 (CHIP) for any low-income unborn child. The program shall  
5 be established under the authority of Title XXI of the  
6 federal Social Security Act, the State Children's Health  
7 Insurance Program, as amended, and 42 CFR 457.1.

8           2. For an unborn child to be enrolled in the show-me  
9 healthy babies program, his or her mother shall not be  
10 eligible for coverage under Title XIX of the federal Social  
11 Security Act, the Medicaid program, as it is administered by  
12 the state, and shall not have access to affordable employer-  
13 subsidized health care insurance or other affordable health  
14 care coverage that includes coverage for the unborn child.  
15 In addition, the unborn child shall be in a family with  
16 income eligibility of no more than three hundred percent of  
17 the federal poverty level, or the equivalent modified  
18 adjusted gross income, unless the income eligibility is set  
19 lower by the general assembly through appropriations. In  
20 calculating family size as it relates to income eligibility,  
21 the family shall include, in addition to other family  
22 members, the unborn child, or in the case of a mother with a  
23 multiple pregnancy, all unborn children.

24           3. Coverage for an unborn child enrolled in the show-  
25 me healthy babies program shall include all prenatal care  
26 and pregnancy-related services that benefit the health of  
27 the unborn child and that promote healthy labor, delivery,  
28 and birth. Coverage need not include services that are  
29 solely for the benefit of the pregnant mother, that are  
30 unrelated to maintaining or promoting a healthy pregnancy,  
31 and that provide no benefit to the unborn child. However,  
32 the department may include pregnancy-related assistance as  
33 defined in 42 U.S.C. Section 139711.

34           4. There shall be no waiting period before an unborn  
35 child may be enrolled in the show-me healthy babies  
36 program. In accordance with the definition of child in 42  
37 CFR 457.10, coverage shall include the period from  
38 conception to birth. The department shall develop a  
39 presumptive eligibility procedure for enrolling an unborn  
40 child. There shall be verification of the pregnancy.

41           5. Coverage for the child shall continue for up to one  
42 year after birth, unless otherwise prohibited by law or  
43 unless otherwise limited by the general assembly through  
44 appropriations.

45           6. **(1)** Pregnancy-related and postpartum coverage for  
46 the mother shall begin on the day the pregnancy ends and  
47 extend through the last day of the month that includes the  
48 sixtieth day after the pregnancy ends, unless otherwise  
49 prohibited by law or unless otherwise limited by the general  
50 assembly through appropriations. The department may include  
51 pregnancy-related assistance as defined in 42 U.S.C. Section  
52 139711.

53           **(2) Beginning April 1, 2022, or the effective date of**  
54 **this act, whichever is later, mothers eligible to receive**  
55 **coverage under this section shall receive medical assistance**

56 **benefits during the pregnancy and during the twelve-month**  
57 **period that begins on the last day of the woman's pregnancy**  
58 **and ends on the last day of the month in which such twelve-**  
59 **month period ends, consistent with the provisions of 42**  
60 **U.S.C. 1397gg(e) (1) (J). The department shall seek any**  
61 **necessary state plan amendments or waivers to implement the**  
62 **provisions of this subdivision within sixty days of the**  
63 **effective date of this act.**

64 7. The department shall provide coverage for an unborn  
65 child enrolled in the show-me healthy babies program in the  
66 same manner in which the department provides coverage for  
67 the children's health insurance program (CHIP) in the county  
68 of the primary residence of the mother.

69 8. The department shall provide information about the  
70 show-me healthy babies program to maternity homes as defined  
71 in section 135.600, pregnancy resource centers as defined in  
72 section 135.630, and other similar agencies and programs in  
73 the state that assist unborn children and their mothers.  
74 The department shall consider allowing such agencies and  
75 programs to assist in the enrollment of unborn children in  
76 the program, and in making determinations about presumptive  
77 eligibility and verification of the pregnancy.

78 9. Within sixty days after August 28, 2014, the  
79 department shall submit a state plan amendment or seek any  
80 necessary waivers from the federal Department of Health and  
81 Human Services requesting approval for the show-me healthy  
82 babies program.

83 10. At least annually, the department shall prepare  
84 and submit a report to the governor, the speaker of the  
85 house of representatives, and the president pro tempore of  
86 the senate analyzing and projecting the cost savings and  
87 benefits, if any, to the state, counties, local communities,

88 school districts, law enforcement agencies, correctional  
89 centers, health care providers, employers, other public and  
90 private entities, and persons by enrolling unborn children  
91 in the show-me healthy babies program. The analysis and  
92 projection of cost savings and benefits, if any, may include  
93 but need not be limited to:

94 (1) The higher federal matching rate for having an  
95 unborn child enrolled in the show-me healthy babies program  
96 versus the lower federal matching rate for a pregnant woman  
97 being enrolled in MO HealthNet or other federal programs;

98 (2) The efficacy in providing services to unborn  
99 children through managed care organizations, group or  
100 individual health insurance providers or premium assistance,  
101 or through other nontraditional arrangements of providing  
102 health care;

103 (3) The change in the proportion of unborn children  
104 who receive care in the first trimester of pregnancy due to  
105 a lack of waiting periods, by allowing presumptive  
106 eligibility, or by removal of other barriers, and any  
107 resulting or projected decrease in health problems and other  
108 problems for unborn children and women throughout pregnancy;  
109 at labor, delivery, and birth; and during infancy and  
110 childhood;

111 (4) The change in healthy behaviors by pregnant women,  
112 such as the cessation of the use of tobacco, alcohol,  
113 illicit drugs, or other harmful practices, and any resulting  
114 or projected short-term and long-term decrease in birth  
115 defects; poor motor skills; vision, speech, and hearing  
116 problems; breathing and respiratory problems; feeding and  
117 digestive problems; and other physical, mental, educational,  
118 and behavioral problems; and

119 (5) The change in infant and maternal mortality,  
120 preterm births and low birth weight babies and any resulting  
121 or projected decrease in short-term and long-term medical  
122 and other interventions.

123 11. The show-me healthy babies program shall not be  
124 deemed an entitlement program, but instead shall be subject  
125 to a federal allotment or other federal appropriations and  
126 matching state appropriations.

127 12. Nothing in this section shall be construed as  
128 obligating the state to continue the show-me healthy babies  
129 program if the allotment or payments from the federal  
130 government end or are not sufficient for the program to  
131 operate, or if the general assembly does not appropriate  
132 funds for the program.

133 13. Nothing in this section shall be construed as  
134 expanding MO HealthNet or fulfilling a mandate imposed by  
135 the federal government on the state.

Section B. Because of the importance of ensuring  
2 healthy pregnancies and healthy women and children in  
3 Missouri in the face of growing maternal mortality, section  
4 A of this act is deemed necessary for the immediate  
5 preservation of the public health, welfare, peace, and  
6 safety, and is hereby declared to be an emergency act within  
7 the meaning of the constitution, and section A of this act  
8 shall be in full force and effect upon its passage and  
9 approval.
